Agreement for Indemnification, Waiver and Release of Claims and Assumption of Risk

I understand that my attendance in any program at The Canine Connection of Vermont, LLP. (hereafter known as The Canine Connection of Vermont) is not without risk to myself, members of my family, my guests, or my dog, because some of the other dogs participating in some of the programs may be difficult to control and may cause injury to others even when handled with care. I further understand that dog obedience training does not ensure a particular standard of behavior, whether for my dog or others, even after completion of any, or all training programs. I acknowledge that, despite my or my dog's participation in a program(s), my dog's behavior will still not be totally predictable and he or she may, with or without warning, inflict injury or damage on persons or property. I hereby agree and acknowledge that no oral promise or statements contrary to or inconsistent with the preceding representations have been made to me or on behalf of The Canine Connection of Vermont.

In consideration of and as an inducement to the acceptance by The Canine Connection of Vermont of my application or enrollment in any program, I hereby waive and release The Canine Connection of Vermont, its employees, officers, directors, owners, representatives, and agents from any and all liability of any nature, for injury or damage which I, my dog, any other person, any other dog, or any property may suffer, including, without limitation, any injury or damage resulting from the conduct or actions of my or any dog, and I expressly assume the risk of such damage or injury while attending any program, training session, or other function of The Canine Connection of Vermont, while on the premises of The Canine Connection of Vermont or at any The Canine Connection of Vermont event or otherwise.

In consideration of and as an inducement to the acceptance by The Canine Connection of Vermont of my application for enrollment for myself or my dog in any program offered by The Canine Connection of Vermont, and other good and valuable consideration, I further agree to indemnify, defend, and hold The Canine Connection of Vermont, its employees, officers, directors, owners, representatives, and agents harmless from any loss, claim, injury, liability, fee, or expense (including attorney's fees and expenses) arising out of or in any way relating to my and/or the representations, limitations, acts, or omissions of my dog, or any other dog which is in any way affiliated with The Canine Connection of Vermont, whether asserted by third parties, members of my family, me or otherwise.

By my signature below, I certify that I have read and understood the foregoing agreement, and voluntarily and knowingly agree to each of the terms, conditions and obligations set forth herein.
